## **NATIONAL ECONOMIC SECURITY AND REFORMATION ACT**

THE NATIONAL ECONOMIC SECURITY AND REFORMATION ACT WAS PASSED BY THE US CONGRESS IN YEAR 2000 TO IMPLEMENT NECESSARY REFORMS. NESARA PROVIDES THE FOLLOWING:

- ★ Restores Constitutional Law in America as of NESARA's public announcement.  
Removes US administration officials and all members of the US Congress from their positions due to their continuous unconstitutional actions. Bush, Cheney, Cabinet members, and all members of Congress are immediately removed from office by NESARA's public announcement. These removals allow a fresh start at the national level. Using the Constitutional Line of Succession, NESARA installs Constitutionally acceptable NESARA President and Vice President Designates until new federal elections can take place within six months after NESARA's announcement.
- ★ Because NESARA abolishes unconstitutional states of emergency, NESARA's public announcement declares "peace". US military in Iraq and Afghanistan are immediately recalled to the USA.
- ★ As partial remedy for 90 years of government and banking fraud, NESARA requires zeroing out of credit card balances and bank debt relief be given to Americans.
- ★ Initiates the US Treasury Bank System with new U.S. Treasury currency backed by gold. The Federal Reserve is abolished; Federal Reserve facilities and most personnel are absorbed into the US Treasury Bank System.
- ★ Abolishes Income Taxes in US and creates a national sales tax on new, non-essential items as revenue for government. Essential items such as food and medicine, and used items, are exempt from the sales tax.
